# Re Elect Rusty Ensign

**For West Kelowna Council October 20th**

Your council needs Rusty Ensign's broad and diverse background in community service, business and local government. Born and raised on a ranch in West Kelowna, and raised two successful adult children. A West Kelowna Businessman for 36+ years, he understands what makes this community, a great place to live, work and play.

*I brought true value to council. My experiences in road maintenance, snow removal, construction, contracting, equipment, tendering, forestry, agriculture, legal and finance was needed on council. My strong connections locally, provincially and federally, combined with my abilities as a successful lobbyist, added strength to your council. I will continue to collaborate with the mayor and council to get things done.*

As your councilor, Rusty Ensign addressed your concerns:

- Road Maintenance & Snow Removal ✓
- Illegal Dumping & Cleaning Program ✓
- Sidewalks ✓
- Professional Development Planning ✓
- Providing for our youth ✓

*The Official Community Plan provides an outline for the growth of the local economy, improving public transportation, enhancing public safety, increasing urban densification, working towards greater sustainability and providing better access to health, recreation, arts & culture. As your councilor I have the proven ability to execute the plan. I will continue to listen to you, use good judgment, be decisive, and make things happen for our West Kelowna.*

*I look forward to more phone calls and emails from you. Vote Rusty so I can keep working for you making what matters to you a priority!*
